## **SPEAKERS AND PERFORMER/BIOS**

---

### **MASTER OF CEREMONIES**

#### **Ed Begley, Jr. – Actor, Environmentalist**

As environmental issues become more pressing, there are two possible responses: forget it and hope that government and corporations will figure it out, or take action yourself. In the “take action yourself” camp, a few individuals are leading the way. One such person in California is Ed Begley, Jr. Turning up at Hollywood events on his bicycle, Ed has been considered an environmental leader in the Hollywood community for many years. He serves on the boards of The Coalition For Clean Air, The Thoreau Institute, and the advisory board of the Union Of Concerned Scientists, among many others. His work in the environmental community has earned him a number of awards from some of the most prestigious environmental groups in the nation, including the California League of Conservation Voters, the Natural Resources Defense Council, The Coalition for Clean Air, Heal the Bay, Santa Monica Baykeeper, and the Cesar E. Chavez Foundation. He currently lives near Los Angeles in a self-sufficient home powered by solar energy. He has his own website at [www.edbegley.com](http://www.edbegley.com)

#### **GRANDMOTHER GLORIA ARELLANES Elder, Tongva Tribe**

Grandmother Gloria Arellanes Pesagason Havoot (Spirit Blanket), is an Elder of the Tongva Tribe of the Los Angeles Basin and four of the Channel Islands. She is a member of the Ti-at Society, representing the maritime culture of the Tongva Nation & an active Board member of the Native American Healing Center. Grandmother Gloria is one of the 32 Grandmothers of the International Grandmothers Council of Morning Star Foundation and is on their Advisory Council. She also has a 43 year history of grass roots activism in the struggle for civil & social rights and reform within the East LA and greater Los Angeles area.

He has been actively involved in organizing communities in Orange, San Diego, and Riverside Counties to be participants in public safety decisions regarding the San Onofre Nuclear Generating Station. He currently resides in North San Diego County, CA.

## **JORDAN HOWARD**

### **Youth Sustainability Educator**

#### **Topic: Youth Deserve Climate Justice**

Jordan Howard, 20, is a thought leader at the intersection of sustainability, environmental education and youth empowerment. As one of the youngest sustainability educators and green school champions, Jordan understands that education is empowerment and has it made it her

mission to provide youth with the inspiration and tools to create the change they want to see in their schools, communities, and cities. Jordan's journey began at the E while taking a mandatory environmental service learning class. Jordan was an environmental skeptic until she later realized that she was skeptical because she wasn't educated on the solutions to environmental issues.

Once enlightened with sustainable solutions, Jordan immediately began transforming her home, high school, and peers across the globe. From opening for Hillary Clinton at fundraisers for President Obama to developing youth programs to educate pre-teens in middle school in India, Jordan's journey to spark change among millennials around the world is only beginning. Jordan is currently a student at Santa Monica College.
